

Join this friendly  
competition among  
schools to see who can:

Create the most  
sustainable campus  
&  
Engage their students in  
sustainable curriculum,  
projects, and  
community service.

\*This program is similar to the Go Green Virginia Challenges in place with VML, VACO, and VSBA.

ARCHITECTURE  
INTERIORS  
PLANNING

Communities need to take innovative steps to reduce **energy usage** and promote **sustainability**.

The Virginia Association of Independent Schools (VAIS), Trane, & BCWH take this opportunity to urge member schools to take the “Challenge”!

Let's all **work together** and put in place specific **environmental** policies and practical actions that will **reduce carbon emissions** generated by our schools and communities.

## Go Green Virginia 2010 recipients will be recognized at the **VAIS Annual Conference** on November 1st!

### BENEFITS:

-  Reduction of carbon emissions
-  Better stewardship of your environment & community
-  Increased community involvement
-  Energy savings
-  Recognition of your efforts by your peers

**MORE DETAILS...**

A meeting in early 2010 will share useful information, practical strategies, and the **Go Green** criteria!
